

LOG OF MEETING

SUBJECT: Child-resistant packaging

DATE OF MEETING: May 1, 1997

PLACE: U.S. Consumer Product Safety Commission Headquarters,
Washington, D.C.

LOG ENTRY SOURCE: Suzanne Barone, Ph.D., Pharmacologist, EHHS *my*

COMMISSION REPRESENTATIVE: Suzanne Barone (EH), Charles Wilbur (EH), Tewabe Asebe (EH), Michael Bogumill (CA), Marcia Robins (EC)

NON-COMMISSION REPRESENTATIVE: Paul Deignan, Rieke Corporation

SUMMARY OF MEETING:

The meeting was requested by Rieke to discuss their closures, including child-resistant, that are available. Traditionally, the company manufactured closures for larger sized containers. However, they have expanded their product lines by the recent acquisition of several other companies. These closures were described and discussed.

The CPSC staff discussed the new child-resistant packaging regulations and the time frame for compliance. The ANPR for petroleum distillates and the extension of the comment period was also discussed.
